Bees Speech

The Little Turtle

There was a little turtle

He lived in a box.

He swam in a puddle.

He climbed on the rocks.

He snapped at a mosquito.

He snapped at a flea.

He snapped at a minnow.

And he snapped at me.

He caught the mosquito.

He caught the flea.

He caught the minnow.

But he didn't catch me.

Speech for 10-14 Year olds

Tortoise

Short of legs but not insight

Eyes awe bound

Belly earth borne,

Back home packed

Gait monastic

Native of no land

Call led crawls, sense Fed-

A bite here, a munch there

Bidding Time to slough out

Of this shell clad life

Speech for 15-20 Year Olds

Turtle Mountain

When flying through clouds and fantasy,

Come hold my hand so tight.

I'll show you things you'd never see,
when flying through clouds and fantasy,

So take my hand and come with me,
a journey into the night.

When flying through clouds and fantasy,

Come hold my hand so tight.

As we land upon the mountain of lore,
The land rumbles and quakes.

Lost in a thunderous volley of snores,
As we land upon the mountain of lore.

Echoing and echoing forevermore,
The land rumbles and quakes.

While you're shocked and surprised with rounded eyes,
To discover this is a shell.

Humongous turtle swimming up in the skies,
While you're shocked and surprised with rounded eyes.

'Tis such an amazing and fantastic surprise,
Flying on the back of fairytales.

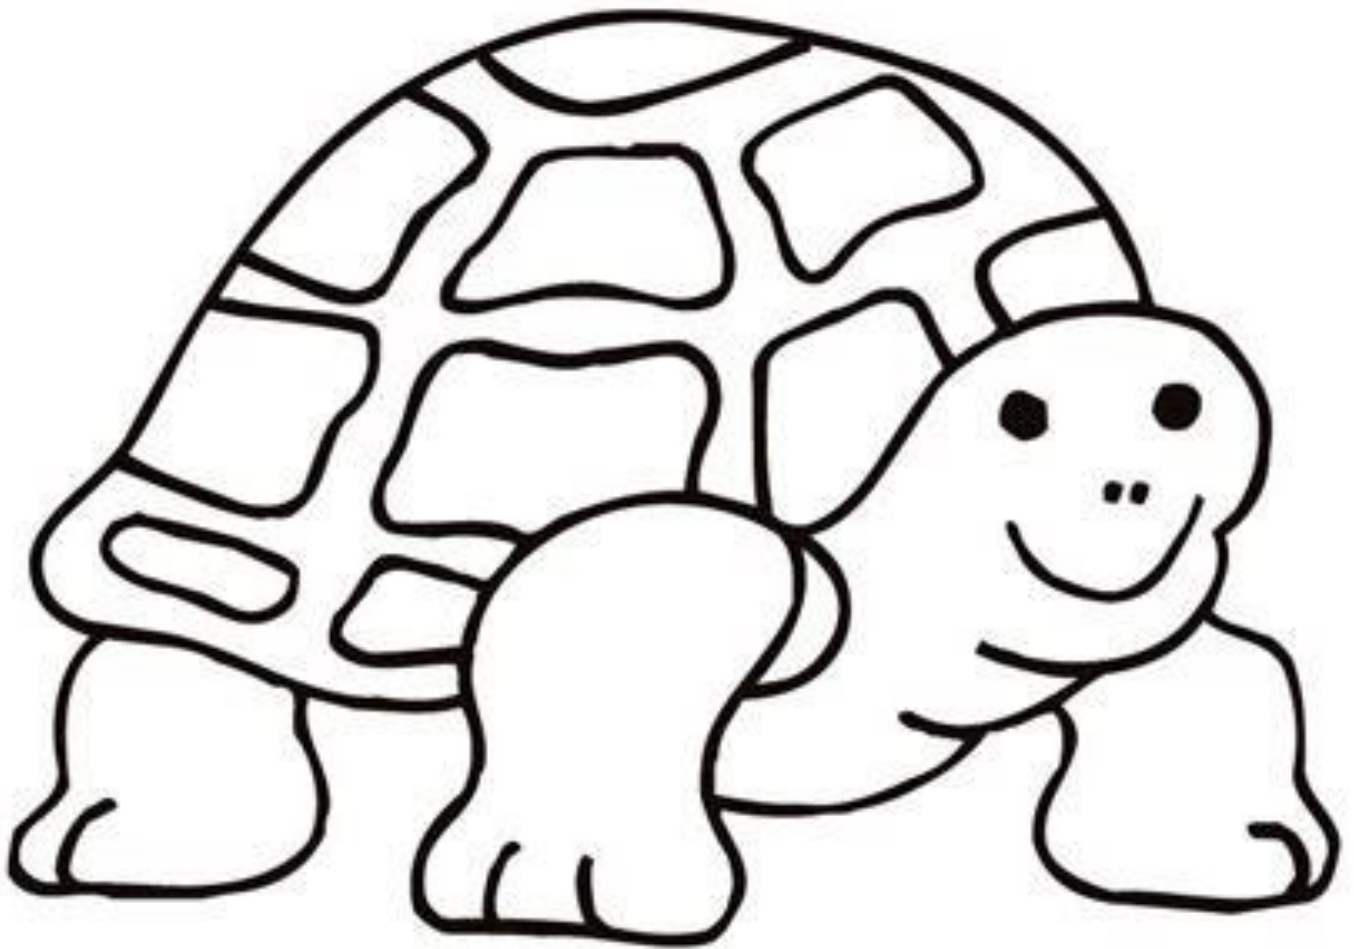

While you're shocked and surprised with rounded eyes,
To discover this is a shell!
